### Excerpt From Robert's Rules

**Standing Rules** (rules not listed in the By-Laws) that are adopted by a majority vote may be suspended by a majority vote at any meeting, or may be rescinded or amended by a two-thirds vote. [Two-thirds vote means two thirds of the votes cast - not two thirds of the members present]

They may rescinded or amended by a majority vote if notice is given at the previous meeting or in the call for the current meeting.

### Article V Section 1

b. Officers with the authority/ability to obtain club funds by writing checks, withdrawing funds, or collecting dues must be an active officer of the club for at least three (3) years prior to having the authority to write checks, withdraw funds, or collect dues.

This has been interpreted as three prior consecutive years as described elsewhere in the By-Laws. It is thought that three prior years will best protect the club's interests and thus avoid conflicts such as, 20 years prior an individual held an office.
