Nominations – Brenda Reschke

It's approaching that time of year again..... our right to nominate and elect our Officers and Board of Directors! Members please think about how you can give back to your club - be a part of its future. Some people are covering multiple committees - lets get some new people into office this year. Check out the Committees Listing in the lounge - what are you interested in? Committees such as Kitchen, Nominating, Ecology, Newsletter, Grounds, etc - just to mention a few. Please review the By-Laws to ensure your nomination choice meets the requirements outlined in the By-Laws. Anyone nominated must be present at the September meeting to accept. Start thinking..... Please see me or leave me a note regarding your interests.

What a great turn out for the 1st ever Wiffle Ball homerun derby tournament. What started of as a joke between a few people ended up as a 14 team competition that lasted the day on one of the hottest days of the year. Huge thanks to Brenda for running the brackets and keeping us all straight. Congratulations to the winning team, the Trustees with team captain Marc Roberts, Tommy Jackson's House of Bricks coming in second. Trout put in a valiant effort with the pitching talents of Sam S. TJ's fielding efforts almost landed him in the pond on a couple of occasions! All in all a great time was had by all and we are looking at doing it again in October! Stay tuned for details.
