Archery – Ron Kazlauskas

Finally, some decent shooting weather. The Knock Hunters have been on the road spreading our reputation throughout the land. We shoot almost every Sunday, and meet at the Club to carpool to the shoots. Contact me for meeting times if you want to join our merry crew.

A new target has been built on the 20 yard butt. These targets have a good reputation from the local pro-shops. Hopefully, they hold up to all the shooting as the price for the entire new butt is very reasonable. That's the news for now. Shoot straight.

Trout – Glenn Standing

What a great weekend of fishing at the Auburn Sportsman's Club. The Fly Derby was won by Bruce Costello with a 17" rainbow. Dave Fox was 2nd and Joe LeBlanc was 3rd. On Sunday, we had 62 fisher people. 1st place for the juniors was Isabella Jordan, 2nd was Ben Streeter, and 3rd was Dominic M. Great job Kids. 1st place for the adults was Carl Johnson with a 22 1/4" rainbow, 2nd was Joe Godin, and 3rd was Will Chaleki. Hope everyone had a lot of fun. The winner of the Canoe was Tom Adamski and Dave Skebo won the kayak. Thanks to everyone who bought tickets and made the raffle a success. I would like to say "thanks" to all my helpers on both days. I would also like to say "thanks" to all the helpers in the kitchen. The food was great and was waiting for the 1st fishers. Next up is the Jack Poisant Kids Kiver Derby on June 23, 2013, from 9 am to noon. Kids 12 and under are all welcome, sons, daughters and grandkids. Bring your bait and a bucket and come and have some fun. All the kids are going to be winners. Hot dogs, chips, drinks, and ice cream for all. That's it for now, thanks and keep a tight line...

Trap – Cheryl Baribeault

Tuesday night trap is back. We shoot promptly at 6:00pm. Jon O. will be running this for me this year. Generally, there are not a lot of people on Tuesdays, so if you are looking to practice, this is a great opportunity. Please pay close attention to the newsletter for outside events. We do not shoot on any day that there is an archery shoot, woods walk or fishing derby. Otherwise, we are open every Sunday at 11:00am. There are two weeks of archery events, so the next Sunday shoot will be 6/9/13. As a reminder, we can only shoot steel shot and biodegradable clays on our trap range. Clays are available for purchase in the Lounge for \$11.00 for a case of 135 - see the bartender. Thanks to my great committee for all their help on the range and especially to grounds for keeping us mowed!

Rifle and Pistol – Jon Owens

Pin shoots continue - all handguns. Please bring eye and ear protection with you. We will be using rim fire shots for the shoots. Although you may use center fire for practice if you would like. Upcoming dates are as follows:

Practice Shoots

- June 11th – 5:30pm
- July 9th – 5:30pm

President's Message – Jim Nishan

The Club has been busy the past few weeks. The first Two Nations Pow Wow was a roaring success by all accounts. All enjoyed themselves and the Club banked a few bucks to boot. Plans are already in the works to make next year's even better. I find the developing relationship between the Club and the local native community to be one of the highest points I have ever seen at the Club.

The President's game dinner was also a success with numerous reports of satisfied well stuffed diners. Honored at the dinner for their many years of service were: Dave Carlstrom, Bruce Costello and Ron Rutkiewicz. Ginney Lilley received the annual "Above and Beyond" award for her hard work supporting Club activities.

Both the fly and the open fishing derbies went off well and a new club tournament record was set with a 22 ¼ inch rainbow being caught. "A great job" to Glenn and his crew. While on the subject of great jobs, I'd be remiss not to mention another phenomenal effort by the kitchen feeding those hungry fishermen.

All of these club success stories are the result of a dedicated hardworking group of volunteers. Each and every one of you has my thanks and respect. Submitted with respect: Nish

Family Day – Karen

Worcester County League – Craig Cortis

The May League meeting was held 5/17/13 at Eight Point Sportsmen's Club in Sterling. Our guest speaker was Arlene Pucillo of Charles River Insurance, Framingham. Arlene has been writing insurance policies for rod and gun clubs, pistol and rifle clubs and guides/outfitters for about 20 years. She and her husband have been active in our particular sports for many years. Arlene gave some good general information about insurance coverage for clubs and groups engaged in our interests. She mentioned, for example, that homeowner policies may vary regarding coverage and that it's unwise to assume any two or more policies on different properties will work the same way for policy holders. Arlene also stressed that, in Mass., it is illegal for insurance companies to offer special "co-op"-type reduced group rates or rebates of any kind to customers hoping to arrange lower rates. News from Fisheries and Wildlife includes mention of "Wildlife Conservation Easements". A specialist in F+W is working on eliminating confusion regarding conservation easements held by F+W over private lands. Currently, F+W holds such easements on 175 properties which total 46,000 acres. Mapping of these lands, along with postings on the Internet is planned. (Some already are.)

The June League meeting will be at North Worcester Fox and Coon Club, Mason Road, Holden, at 7:00 p.m. Worcester County League does not meet in July and August; our next "season" will begin in September, on the third Friday of that month. Don't forget the special U.S. Senate Election for Mass. coming up on June 25. There is a difference between the candidates and we do have a choice in this.
